

2024 Energy Efficiency REBATE PROGRAM

CRMU offers rebates when you purchase electric appliances, air conditioners, and LED lamps that meet certain energy-efficient standards.

For complete details visit:

http://www.crmu.net/energy_efficiency.html

Terms and Conditions

Deadline: Items must be purchased between January 1 and December 31 of the current year. Applications must be filed by January 31 of the following year. CRMU reserves the right to change any portion of this program or to end this program at any time without notice.

Rebate Amounts & Payments:

Rebates will not exceed purchase price. Rebate applications will be processed as they are received on a first-come first-serve basis. Please allow 2 to 4 weeks for processing. The maximum annual residential rebate per dwelling is \$2,000.

Qualifying Purchases/Eligibility: New electric refrigerators, freezers, dishwashers, clothes washers, room or central A/C units, ground-source or air-to-air heat pumps, and water heaters are eligible for this program. The new appliances must meet all specified energy efficiency requirements. CRMU does not endorse any particular manufacturer of appliances.

Verification: Original or copied sales receipt(s) indicating purchase date, purchase location, quantity, and price must accompany rebate application. For more information, please review the terms and conditions on this form.

Disclaimer: CRMU does not guarantee that implementation of energy efficiency measures or use of the equipment purchased and/or installed under this program will result in reduced energy usage or cost savings. CRMU makes no warranties, express or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall CRMU be liable for any incidental or consequential damages.

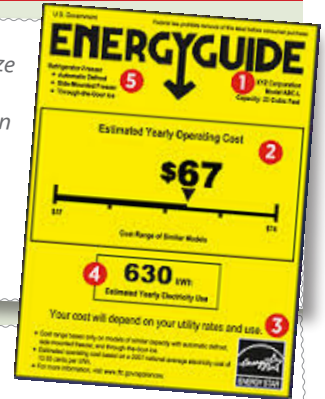

Additional Information: Call 999-2225 for more information on CRMU's energy efficiency program.

Please put all purchases on one form.

All rebates will be processed in the form of a credit on your CRMU bill.

Going shopping for a new appliance? Make sure you look for the **EnergyGuide** label, the yellow tag you'll find attached to most appliances. To the right is a quick summary of how to utilize the energy guide in making your selection.

1. The make, model and size of the product.
2. What you might pay to run the appliance for a year.
3. Energy Star certified.
4. Estimate of annual electric use.
5. Key appliance features.

Save on appliances with CRMU by shopping for Energy Star rated equipment. Visit www.energystar.gov for a list of qualifying models!

Applicant's Check List

(Incomplete forms will be returned)

- I am a CRMU residential natural gas or electric customer and the account holder listed on this form.
- I have attached my original or a copy of my sales receipt(s) to this form. All receipts are for items purchased in my name.
- I have attached my energy guide(s) for the following appliances: dishwashers, clothes washers, central or room A/C units, refrigerators, freezers, water heater, furnace.

Note: Energy Guides for the items listed above must be included to receive your rebate!

- I have completed all necessary information on the reverse side of this form. I have attached all required materials to this rebate form. (Energy guides, receipts, etc.)
- I have read the terms and conditions and have signed the customer certification on the reverse side.
